

# COOL SCHOOL BUS

## THE JOLLY FUN BUS RIDE

# day summer camp GALILEO SCHOOL 2021

**Pandemic or not, drop the boredom because it's time to have some fun!**

Let's give children back their friends! This statement will be the main focus of the GALILEO SCHOOL # day summer camp program. We will show the children the benefit of team work after months of isolation. Every week, we will set out together on a discovery journey to the surrounding countries and together we will prepare a trip where each child will be assigned a role on the basis of their strengths. Children will try out to lead a team of scientists, learn how to divide work in a big project and perform their work in front of an audience. These are all sorts of essential life skills that every child needs to know. After all, everyone can be a leader!

In addition to the fun and exciting discoveries, children will acquire a lot of new knowledge and skills through experiences. Needless to say, conversations in English language will be the key!

How will the GALILEO SCHOOL # day summer camp look like?

Educational activities will be linked to the „visit“ of a particular country each week. Children will be systematically exposed to a wide range of vocabulary, and thus will acquire English vocabulary from a broad-spectrum of science, history and geography. Amazing DIY art & craft creative activities, and sport will be at the heart of Galileo summer camp this year!

### Daily summer camp GALILEO SCHOOL 2021

**Location:** GALILEO SCHOOL, Dudvážska 6, Bratislava

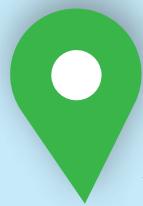

# AUSTRIA

**Sailing on the river Danube  
to our Austrian neighbours**

**WEEK 1 1.7.– 2.7.2021 (only 2 days)**

Everyone has already been to Austria, whether it was shopping or skiing. Let's get to know Austria differently.

- The Alps are a paradise for hiking and climbing in the summer months. We will embrace a sport challenge and become climbers at an obstacle course race.
- The Opera House in Vienna is one of the world's most famous venues and W. A. Mozart is one of the most famous composers. We will rehearse and perform a concert, in which we will play not only on hand-made instruments. Also, we will learn how to dance the Viennese waltz.
- Joy, sadness and fear. We will examine our own feelings and try to explain and understand them according to Sigmund Freud.
- We will taste the most famous Austrian dishes - Viennese steak, Sacher Torte, Apple strudel with vanilla cream, Mozart's balls, Imperial jerky etc. Moreover, we will bake a delicious cake ourselves!

# HUNGARY

**our southern neighbours**

Everyone knows the lake Balaton, nicknamed the Hungarian Sea, and Budapest, the city on the Danube

- Hungarian čardáš. We will learn how to dance Hungarian folk dances and play children's games.
- Balaton - Hungarian Riviera and the venue of the Blue Ribbon round the lake Balaton race competition. Who will be the first to sail to the finish line? It will be a great competition of hand-made sailboats.
- We will taste Hungarian culinary specialties, such as 'Ortobát' pancake, perkelt and we will cook an original Hungarian cauldron goulash.
- Rubik's Cube. This combination puzzle is celebrating its 45th birthday. Who was Erno Rubik? Children will take part in a competition and they will be expected to do at least one side of a Rubik's cube.

# SPAIN

**in the land of raging Bulls**

**WEEK 4 19.7.– 23.7.2021**

- Mesmerizing sandy beaches, turquoise sea, scorching sun and something on top ...
- BULL RUN – a chase in the form of a bull run. Let's make those bull masks.
- What hand-clapping games do you know? Have you played castanets and maracas? We will make traditional Spanish musical instruments.
- We will learn how to dance salsa and flamingo flamenco. We will also experience the traditional „Dance of the pinata“ and make our own Piñata.
- We will organise a Giant water colour fight festival in a swimsuit.
- Paella is not a risotto and tapas is not just a snack.
- Cubism and the Picasso's powerful message.

# CZECH REPUBLIC

**We are moving towards our Czech Brothers**

**WEEK 2 6.7.- 9.7.2021 (only 4 days)**

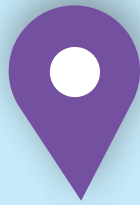

- What was it that closely related the Czechs and Slovaks in the past? Czecho-Slovakia!
- Prague has many secrets. The fairy magic spell 'šam-foráš' will gain control of the Golem in Prague. We will solve the murder mystery at the Prague Astronomical Clock.
- Lions and other symbols. We will make our own family coat of arms with these symbols.
- Who was the divine Karel Gott? Who were Dvořák and Smetana? Children will find out that 'Nohavica' does not mean only trousers in Slovak.
- Spejbl and Hurvínek. We will perform a puppet show.
- As seasons were seen then by Alfonz Mucha and as we see them now, we will also invite parents to the gallery of our art.
- Football and hockey. Every Czech is a football and hockey supporter.
- Czech triple feast - dumplings, pork, venison.

**Who wouldn't know the Eiffel Tower?**

- Together we will search for a hidden treasure in the streets of Paris and discover its most famous buildings and places.
- We will become artists for one day, visit Louvre and meet famous painters.
- Tour de France - we will enjoy the competition and fight for an attractive trophy.
- A taste of French cuisine. What are the typical French dishes? Baguettes, various cheeses, macaroons, snails and frog legs ...
- Bouquet garni and potpourri. We will reveal the secrets of scented potpourri.
- We will organise a fashion show on the French Riviera - a show of hand-made fashion creations.
- Together we will create the artistic atmosphere of Montmartre - a great competition of painting talents.
- You can also „read“ with your hands – Braille reading.

# FRANCE

**just a quick stop in the land of gourmets**

5. WEEK 26.7.– 30.7.2021

# THE NETHERLANDS

**a land of clogs and windmills**

WEEK 6 2.8.– 6.8.2021

**Kings did not live only in the past and princesses are even born today.**

- King or president, what's the difference? Let's play in the kingdom.
- We will bake a traditional „cake“, which is served in the Netherlands. Where can we find herrings?
- Let's discover the force of the wind that will spin our propellers.
- The Netherlands is a land of tulips, so we will create a flower wall together. In the laboratory, we will explore what's inside a tulip.
- We will bake a traditional cake, which is served in the Netherlands.
- Let's do one painting in the style of the Dutch painter Vincent van Gogh.
- Clog dance - What is it?

# ITALY

**Pizza, Parmesan and mortadella**

WEEK 7 9.8.– 13.8.2021

**Who wouldn't know that big round salty cake?**

- Penne, tagliatelle, fusilli - we make bracelets and necklaces from pasta.
- Vatican and a papal cap.
- Let's build the Mount Vesuvius, let it erupt and reveal the secret of Pompeii.
- Tarantella is not a tarantula. We will take a lesson in the traditional dance and a tambourine will play to the beat.
- We bake pizza to look like 'edible art' on a plate. And we also cook polenta.
- Galileo Galilei and his proof that Earth rotates on its axis after all. We will embark on an expedition to find the mysteries of the universe.
- Football - the national sport of the Italians.
- Most famous Italian music ranging from traditional Italian songs to opera.

# GREECE

**in the land of art and history**

WEEK 8 16.8.– 20.8.2021

**Who lived on the legendary Mount Olympus?**

- We will make masks and perform in the 'theatre'
- How to knit a laurel wreath? What does antique clothing consist of? We will organise a fashion show from our own models.
- Olympic Games - then and now. Olympics and its oldest Olympic sport. Which one was it?
- Let's create antique ceramics and decorate them with traditional patterns.
- We will make ancient musical instruments and create a band.
- We will perform Aesop's dramatic fable.
- What did the mythical animals look like? Ancient Greek myths and legends.
- How about making authentic Greek salad?
